**AREA 4**

Northumberland County provides monthly pick up of leaf & yard waste at your curb on a routine schedule, from April to Mid-December. Refer to April to December calendar months for the schedule of collection days for each area.

Have brush, leaves and grass clippings at the curb by 7 a.m. on the Monday of your designated **set-out week**, not on your garbage/recycling collection day. It will be collected between Monday and Friday of your designated **set-out week**. See below for details.

## Rules & Tips

Tie brush into bundles no longer than 1m (3 feet), and with no material larger than 5cm (2") diameter.

Each bag/bundle must weigh less than 20 kgs (44 pounds).

Roll tops of bags shut. This sheds the rain and snow and prevents leaves from falling or blowing out.

Only use paper yard waste bags.

No garbage, animal feces, stumps, rocks or soil.
