Northumberland County provides monthly pick up of leaf & yard waste at your curb on a routine schedule, from April to Mid-December. Refer to April to December calendar months for the schedule of collection days for each area.

Have brush, leaves and grass clippings at the curb by 7 a.m. on the Monday of your designated **set-out week**, not on your garbage/recycling collection day. It will be collected between Monday and Friday of your designated **set-out week**. See below for details.

Rules & Tips

Tie brush into bundles no longer than 1m (3 feet), and with no material larger than 5cm (2") diameter.

Each bag/bundle must weigh less than 20 kgs (44 pounds).

Roll tops of bags shut. This sheds the rain and snow and prevents leaves from falling or blowing out.

✓ Only use paper yard waste bags.

✗ No garbage, animal feces, stumps, rocks or soil.

Northumberland County Forest

The Northumberland County Forest is a 2,225-hectare (5,500-acre) multi-use protected area on the Oak Ridges Moraine, providing year-round recreational trails, vital ecological protection for rare habitats, sustainable timber resources, and community access that supports wellness, learning, and environmental stewardship.

This calendar is dedicated to the Forest, and all it offers to the County of Northumberland. To learn more visit northumberland.ca/forest

Please Remember:

1. Have your waste to the curb by 7AM on your collection day;
2. Each household is allowed to set out up to two (2) standard size opaque garbage bags each week;
3. Place bag tag around the neck of each bag, sticking it end to end like a clothespin;
4. Full bag tag must be visible for collection;
5. Each bag can weigh no more than 20 kilograms (44 pounds);
6. Bags placed in garbage cans must be tagged on top of the bag, not on the can or side of bag. Garbage cans/bins no larger than 80 litres (17 gallons);
7. Half-tags may be used on Kitchen-Catcher style bags, weighing no more than 9 kilograms (20 pounds). A full tag, cut lengthwise must be placed on the side of the bag or around the neck. DO NOT place this bag in your blue or grey box;
8. Label garbage cans 'GARBAGE' to help collectors clearly identify the cans containing garbage from cans containing recyclable material;
9. Place sharp objects (like broken glass) into a box labeled as such, and place beside your garbage bag at the curb for pickup;
10. If you are unsure why your garbage was rejected or was missed by our collectors, contact our customer service representatives at **1-866-293-8379 or email wastedept@northumberland.ca**
